

PVC BATHROOM CABIBET

Hangzhou Spremium Bathroom Co.,Ltd, which was founded in 2004 and located in Hangzhou, covering 7000 m² in total, and our production ability can be 10000pcs per month. Spremium's products are carried out strictly in accordance with the 5S management model, ISO9001-2008 quality system and the CE of product quality management requests. Our vanities were proved good-sell in Europe, Canada, Mideast and South-America.

Holding the motto of "make quality vanity with fair price", Spremium will not take the order with unfair huge profit. 12 Years experience on business made we understand that fair is the most important thing between the cooperation. We prefer sustainable little profit than unsustainable big profit, and believe this is the only way to make our factory and our customer grow. We are not right for every vanity importer, but do want to be the best for our customer.

Every month we add plenty of new, exciting, innovative and unique products to our growing selection. We sincerely hope that we could establish a long-run business relationship with more customers on the basis of honesty, equality and mutual benefits.
